DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance:

Referring to claims 1 and 11, Prior Art fails to disclose sending or retransmitting the data from the second network element to the fourth network element along a first protective link, which protects against communication links failures between the network elements and failures of the network elements which would otherwise disrupt the data flow between network elements in combination with other limitations set forth in the respective claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 6:45 to 4:15, 2nd Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wellington Chin can be reached on 571-272-3134. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
